Welcome to the MCCB Band,

Please print EMAIL address carefully. I transfer most MCCB information through mailing lists. (Address is not displayed). I periodically send a survey out to determine which performances a member can or cannot attend. Also the MCCB website: www.montcoband.com is a good place to check for last minute intel, especially the “news flash” page. If you have any questions or concerns, I usually answer email very quickly, or feel free to call.
