Community Band Concert: We are looking for a title for the Community Band Festival beyond just “Community Band Festival”. If you have a catchy idea let me know. If it is selected you will have your name printed in the program as being the one who came up with the catchy title!

We still need someone to be “in charge” of organizing the food. Not a big job, but necessary though. You would just have to keep track of what foods people are bringing so that we don't get too much of the same stuff.

Rehearsal order for Jan. 20

Warm up
The Saint and the City
Sound of Music
Epic March
New Music

All of these pieces are on Youtube. I recommend the following recordings
Epic March – Cincinnati Pops orchestra (there is no band recording out there)
The Sound of Music – an Asian band, but there is no name listed
The Saint and the City – the black (professional) recording

In each case search for: concert band music – title

Here's a clip of me playing with Pat at the Bottom Line in NY in 1984. His first NY appearance since recovering from the aneurism.
